

Our Mission

Lone Star Elementary is dedicated to promoting quality instruction and academic excellence through the mastery and application of skills and concepts in an environment that fosters critical thinking, a positive self-image, responsibility, and an understanding that effort and cooperation lead to success in learning today for tomorrow's world.

Our Magnet Program

Our Magnet program places special emphasis on math, science, and technology through special activities, assemblies, clubs, field trips, and school-wide projects. Our goals are to:

- Develop positive student and parental attitudes toward learning
- Improve problem-solving and critical thinking skills
- Increase career awareness in the areas of math, science and technology
- Increase the use of manipulatives and hands-on experiences in math, science and technology
- Enhance classroom teaching and learning through technology, including computers, laser discs, the Internet, and teacher-created lessons utilizing technology

Special Clubs and Programs

Special clubs and programs complement our academic curriculum.

- Hands-on math and science activities for all students
- ESE Inclusion classes
- Sunshine Math For grades 2-5
- Student Council For grades 3-5
- WLSE News Team
- Safety Patrol For grade 5
- Teachers of Tomorrow (TOTS) For grade 5
- Four student computers in every classroom
- School-wide network
- ClassWorks Software
- Extended Day

The Lone Star Difference

Our thirteen-acre campus offers ample space for a butterfly garden, track, covered pavilion, and reading garden.

The PTA and Dad's Club provide active parental support with book fairs, vision screening, school beautification projects, parent education, and student and staff recognition.

Lone Star Elementary is accepting applications from students living in Zone II.
