Helping Students Prepare
for the Journey Ahead

HIGHER STANDARDS FOR EVERY STUDENT

At Mayport Coastal Sciences Middle School, students benefit from a rigorous academic program that provides new challenges at every level. In addition to courses in core subjects – including mathematics, science, English, social studies, and world languages – Magnet Program students at Mayport Coastal Sciences Middle School choose from electives in Coastal Sciences, Computers, and Fine and Performing Arts. All students entering Mayport Coastal Sciences Middle School will be assigned an academic course of study based on their grade point averages and FCAT scores.

Throughout their middle school careers, Mayport Coastal Sciences students are prepared for the rigors of Duval County's most advanced high school programs, including Advanced Placement (AP), Early College, International Baccalaureate (IB), and Advanced Placement International Certificate of Education (AICE) programs. The Mayport Coastal Sciences Middle School methodology is inquiry-based, and aligned with College Board Advanced Placement expectations.

Mayport Coastal Sciences Middle School, a **Dreams Begin Here: A Next Generation Magnet School**, is a recipient of the Magnet Schools Assistance Program grant, which supports the Coastal Sciences magnet program.

Students are encouraged to join the school's extensive program of extracurricular activities, including:

- Band
- Drama Club
- Builder's Club
- National Junior Honor Society
- TEAM UP
- Girls Inc. & Get Real
- Scholar Bowl
- Coastal Sciences Club
- Boys and girls sports program:
 - Football
 - Swimming
 - Basketball
 - Cheerleading
 - Soccer
 - Track
 - Baseball
 - Volleyball

MISSION: Our mission is to teach our students to become self-directed researchers, analytical thinkers, problem solvers, prolific readers and writers, and lifelong stewards of the coastal environment. Our methodology will be inquiry-based, differentiated, and aligned with preparing our students to enter any high school accelerated program.
