Health and Fitness

Fitness Facilities

San Pablo Elementary School benefits from a wide variety of outstanding facilities that are a part of our greater campus. Fletcher High School (adjacent) offers a 400-meter track, tennis courts, a swimming pool, and baseball fields. In addition, San Pablo received the Share the Love grant from the United States Tennis Association which has enabled San Pablo to purchase developmentally appropriate QuickStart Tennis equipment! Magnet funds enabled San Pablo to purchase equipment for a new fitness trail.

Energizing Students

At San Pablo Elementary students receive a rigorous academic education coupled with an emphasis on Health and Fitness. San Pablo Elementary School is based on the philosophy of a sound mind in a sound body. We encourage students to develop lifetime health and fitness skills while also focusing on interpersonal skills and nutrition.
