

Ortega Elementary is committed to a rigorous standards-based curriculum and to the empowerment of all students to become productive members in a diverse society. Our vision is to foster interdisciplinary academic and personal excellence in a safe supportive environment.

Historic Dedication to Excellence

Ortega Elementary School is proud of a heritage of academic excellence that dates back more than 75 years. Located on a beautiful campus in scenic Ortega, our school offers students a small, comfortable setting in which to learn and grow.

Academic Enrichment

On a Mission of Achievement

Ortega Elementary School is committed to meeting the academic, social and emotional needs of its students. We are dedicated to providing our students with a challenging, educational experience to promote lifelong learning. We prepare our students to become successful citizens in a culturally diverse world by instilling the concepts of being organized, respectful, thoughtful, enthusiastic, giving, and having an optimistic attitude toward life and its endeavors. We believe it is our responsibility to find the strengths and talents in every child in order to help them develop a positive self-concept which will enable them to become productive members of society.

At Ortega Elementary School, children enjoy a nurturing experience and are encouraged by staff, parents and community to reach their highest possible potential, both academically and socially.

A Diversified Program

The Ortega Elementary School strives to enhance each child's educational experience by:

- Working within state and local standards-based curriculum, Ortega Elementary expands and enriches student learning through quarterly exhibit nights where students showcase their knowledge
- Full time media services including student instruction in PowerPoint, PhotoStory, and typing
- Student-run closed circuit television facility
- Science- and Math-based Ortega Vegetable Garden
- Teacher mentoring of students through Teachers of Tomorrow (TOTs) and Media Squad
- Implementation of Sunshine Math, a standards-based math enrichment program
- Annual Community Reads Day
- Grade level literacy enrichment groups
- Fostering strong cultural awareness through arts festival, overseas pen pal programs, and partnerships with local museums and historical societies
- Professional publishing of student's personal and creative stories
- Partnership with local church to enhance student learning through tutoring, enrichment activities and guest speakers
- Encouraging a highly committed, active PTA and Do-Dads, a supportive community and dedicated business partners
