

OUR VISION

Students at Frank H. Peterson Academies of Technology graduate with an appreciation for life-long learning, prepared to enter the workforce and pursue higher education.

OUR MISSION

Frank H. Peterson Academies of Technology is a safe and orderly learning community. Peterson offers high quality academic programs and a career-centered education, while supporting the development of students' work ethic, self-esteem, respect, tolerance, and a sense of personal responsibility. The school provides a strong foundation that helps students become lifelong learners and productive citizens in the 21st century.

OUR BELIEFS

- All students can learn when teachers use a variety of teaching and learning strategies.
- A safe and secure environment conducive to teaching and learning is essential to student success.
- Education is the responsibility of students, school, family, and community.
- Teachers, counselors, administrators, staff, and parents make a difference.
- Education is a priority. Attendance and punctuality are essential.
- With time as the variable, all students can meet expectations.
- Students must prepare to be respectable citizens and make responsible contributions to society.
- Students must acquire the required education and skills needed to enter the workforce.
- Students must be prepared academically to pursue higher education and life-long learning.
