

OUR MISSION

Our mission is to provide students with the professional and educational training needed to realize their highest level of achievement and to strive for academic, social, and physical excellence through a rigorous, relevant and challenging career curriculum in Early Childhood Education.

OUR GOALS

1. To prepare and encourage students to aim high to complete college entrance academic requirements while exposing them to college, careers in the teaching profession and hands-on experiences working with young children.
2. To increase high school students' level of motivation in selecting a career in working with children.
3. To provide support to its students to increase their achievement through close relationships with teachers and fellow students in the academy.

ACADEMIES

A FUTURE FULL OF POSSIBILITIES

At Frank H. Peterson Early Childhood Education Academy, students are exposed to the many fields that are related to education – including teacher assistant, child care ECE worker, public school para professional, guidance counselor, Department of Children and Families (DCF), Department of Child Protection Services (DCP) worker, family daycare provider and more.

Many certificates can be earned in this program:

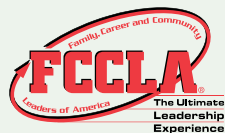

- Early Childhood Professional Certificate (ECPC)
- DCF Certification
- Food Handlers Certificate
- CPR
- First Aid
- Vocational Certificate of Completion

In this academy, DCF-certified instructors prepare students for careers in working with children through hands-on experience in the onsite pre-k training lab.

Some students are eligible for off site paid on-the-job training. Job shadowing field trips and guest speakers enhance the students' learning experiences.

The Early Childhood Education Academy offers a dual-enrollment program with Florida State College at Jacksonville. Students can earn college credits while attending high school.

Family, Careers and Community Leaders of America (FCCLA) is a national organization that provides our students with awards, scholarships, life experiences, growth and leadership skills.

ABOUT FRANK H. PETERSON ACADEMIES OF TECHNOLOGY

Frank H. Peterson Academies of Technology is a public, magnet high school located in Jacksonville, Florida. The students of Peterson Academies are interested in more than a high school diploma. Students choose Peterson to begin gaining skills in the industry of their choice while earning their high school diploma and potentially gaining college credits.
