

# IB FOR RIBAUT HIGH SCHOOL

The International Baccalaureate (IB) Program offers highly motivated and academically talented students a comprehensive liberal arts education that goes beyond the regular high school curriculum to challenge their intellectual, social and critical perspectives of the world. The IB diploma is recognized worldwide for college admissions and advanced standing.

## APPLICATION INFORMATION 2009-2010

IB is offered at Jean Ribault Senior High School. There are 75 openings for 9th grade admission.

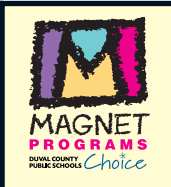

Students enrolled in the 8th grade for the 2008-2009 school year with Level 3 or higher on the 7th grade FCAT are encouraged to apply. Students from private schools or out of state must submit scores from an equivalent standardized test. Students must successfully complete Algebra I while in middle school in order to enter the 9th grade program.

## **ELIGIBILITY TO APPLY:**

Eligible Duval County Students who took 7th grade FCAT are encouraged to apply. Private School or out of state students must submit standardized test scores with application. All students must formally apply to enter the IB program. The number of seats admitted to the 9th grade class will be limited. The IB Program is a rigorous, two-year, pre-university liberal arts course of study that meets the needs of highly motivated and academically oriented secondary students. Students will be selected based upon test scores, grades and teacher recommendations.
