Things A Family Can Do To Strengthen Each Intelligence

San Jose Elementary School, a Multiple Intelligences Magnet Program, has been awarded a "Break The Mold" Grant for educational excellence. There are many benefits of the San Jose environment, including:

- Valuing and nurturing individual differences
- Authentic assessment of learning
- Increased self-confidence
- Preparation for living, working, and life-long learning in the 21st century
- Equal access to learning for all students
- Focus on skills and knowledge necessary to meet academic excellence and achievement for *all* students

In using the Multiple Intelligence Theory, our goal is to enhance students' learning by developing all of their intelligences. We will use these "eight kinds of smart" to create a balance to free the learning potential and creative expression of each student.
