

A TRADITION OF EXCELLENCE AND INNOVATION

Wolfson combines a tradition of academic excellence with dynamic and innovative programs in its business, finance and law magnet programs. Practical experiences, specialized courses, mentorships, guest speakers and business partnerships offer a preview of the day-to-day worlds of the office and courtroom. Students enjoy the best opportunities for college and workplace preparation, scholarships, job placement, extracurricular activities and athletic involvement. And it all takes place in a safe and friendly environment. Our facilities offer the newest technology, and an experienced, dedicated faculty gives students a competitive edge as they enter the workplace or college classroom. The success of our magnet program has only added to the outstanding reputation that we call “Wolfpack Pride.”

MAGNET PROGRAM

Finance · Law · Business

THREE MAGNET PROGRAMS IN ONE SCHOOL

The three magnet programs of Wolfson High School are a proven method of balancing preparation for postsecondary education and for the workforce.

FINANCE

In this nationally recognized career academy, students study all aspects of finance, including banking and credit, personal finance, financial planning and automated accounting. Dual-enrollment college credit is available.

ACTIVITIES

- Stock market game
- Field trips
- Guest speakers
- Simulations
- Applied technology

OPPORTUNITIES

- Internship programs
- Networking with professionals
- DECA (Distributive Education Clubs of America) competition
- Awards and recognition
- Scholarships

LAW

Our law magnet program has been recognized by the Florida Bar Journal as one of the top three programs in the state. It prepares students for careers as attorneys, paralegals, police officers and for other law-enforcement careers. Programs include criminal and civil procedures, citizens and the law, public speaking, legal research and contemporary issues.

ACTIVITIES

- Courtroom experiences
- Seminars with professionals
- Field trips
- Mock trials
- Oral arguments

OPPORTUNITIES

- Internships
- Part-time jobs
- Mock-trial competition
- National Law Youth Leadership Seminar
- Scholarships

BUSINESS

Offering courses of study in seven different business disciplines, our program offers students a broad exposure to this diverse field. Programs include administrative training, automated accounting, business management, software applications and digital publishing.

ACTIVITIES

- Field trips
- Guest speakers
- Simulations
- Applied technology
- Career exploration

OPPORTUNITIES

- Cooperative work experience
- Part-time employment
- BPA (Business Professionals of America) and CECF (Cooperative Education Clubs of Florida) competition
